3.1.1. Highly speculative;

3.1.2. May involve an extreme degree of risk; and

3.1.3. Appropriate only for persons who, if they trade on margin, can assume risk of loss in excess of their margin deposit.

3.2. The Client acknowledges, recognizes and understands that:

3.2.1. Because of the low margin normally required in Margin Trades, price changes in the underlying asset may result in significant losses, which losses may substantially exceed the Client's investment and margin deposit;

3.2.2. When the Client directs the Company to enter into any transaction, any profit or loss arising as a result of a fluctuation in the value of the asset or the underlying asset will be entirely for the Client's account and risk;

3.2.4. The Client agrees not to hold the Company responsible for losses incurred as a consequence of the Company executing the Client's investment and the Client following its advice, recommendations or suggestions or those of its employees, associates or representatives, unless the Company has exercised gross negligence in connection herewith;

3.2.5. The Client is aware of the fact that unless it is otherwise specifically agreed, the Company shall not conduct any continuous monitoring of the transactions already entered into by the Client neither individually nor manually. Hence, the Company cannot be held responsible for the transactions developing differently from what the Client might have pre-supposed and/or to the disadvantage of the Client; and

3.2.6. The Client accepts that guarantees of profit or freedom from loss are impossible in investment trading.

The Company may at its discretion cover or hedge any Contracts with its Liquidity Providers, but the Client will have no recourse against any of the Company's Liquidity Providers. Whenever the Company is entering into a contract as principal, the Company shall have the obligation to disclose to the Client that the Company is entering into the transaction as principal.

iii. The Company may provide advice, information or recommendations to the Client. Such advice, information or recommendations are provided on a non-binding and non-independent basis, and the Company makes no representation, warranty or guarantee as to, and shall not be responsible for, the profitability, accuracy or completeness of such advice, information or recommendations.

4.2. Notwithstanding any other provision of these Terms, in providing its Services, the Company is entitled to take any action considered necessary and reasonable to ensure compliance with the Market Rules, decisions by and agreements with Regulated Markets, other markets, Liquidity Providers or public authorities and/or applicable law.

4.3. The Company does not provide any advice to the Client on any tax related matters. Client should obtain independent advice from its financial advisor, auditor and legal counsel with respect to tax implications of the respective Services.

4.4. Clause 4.1 is subject to any limits or restrictions you may specify in writing to us. Please list in the 'Account Application Form' any investment, or type of instrument or exchange or geographic area in which you do not wish to trade.

4.5. Save as specified in this clause and the Account Application Form there are no other restrictions on the type of investments in relation to which we may provide our Services.

4.6. Unless you inform us to the contrary, we will assume that you would like us to be able to visit, telephone, e-mail or contact you when we consider it necessary or appropriate to discuss investments without having first been expressly invited by you to make such a contact.

4.7. We are authorized by you to do anything which we consider necessary or appropriate either to provide the Services (including but not limited to acting as your agent and delegating our authority as your agent to another) or to comply with any applicable laws or regulations as may reasonably be appropriate. You agree to ratify and confirm everything lawfully done in the exercise of such discretion.

4.8. Except where expressly agreed in writing we will not be responsible for the provision of any tax legal advice in relation to the Services.

4.9. We will treat you as our customer and we have no obligation and accept no liability to any other person for whom you may be acting as an agent intermediary or fiduciary (whether or not the existence or identity of such person has been disclosed to us) and your obligations to us shall not be diminished in any way by reason of you so acting.

4.10. We will not be obliged to affect any transaction nor do anything else which we believe would breach any statute law or regulation.

4.11. If your Account comprises more than one account with us, we will have the right, without prejudice to any other right we may have, to combine all or any such accounts and set off any amount at any time owing from you to us on any account against any amount owing by us to you for any purpose.

4.12. We may, at our discretion, at any time convert any sums of money held in a currency other than the currency of the relevant Obligation into the currency of the Obligation at the current exchange rates (or other reasonable rate) including but not limited to circumstances where and the proceeds of such conversion will be automatically applied in reduction of the Obligation under advice to you.

4.13. You confirm having read the instructions for using the platform and operate your account.

5. Advice

5.2. Where we agree to provide you with an advisory service such advice will be on a transaction-by-transaction basis and we shall not be liable for any costs, claims, liabilities, expenses or losses which you may suffer as a result of relying on any such advice or information unless it is proved that we have been negligent or acted in bad faith.

5.3. Advice and recommendations shall not constitute an offer to enter into a contract or an offer to buy and sell or solicit of an offer to buy or sell an instrument.

5.4. Where we have agreed to provide an advisory trading service you should notify us in the Account Application Form of the initial cash or other Assets which you will make available for trading and arrange for these to be deposited in the account for which details will be provided by us.

5.5. You should also advise us as soon as possible of your investment objectives, any relevant restrictions and the degree of risk you are prepared to accept by completing the Account Application Form. Any such restrictions shall not be treated as breached solely as a result of subsequent variations in the value or price of any investment(s) or other Asset(s) credited to the Account.

5.6. Where the Services involve the giving of advice or the provision of information, we will use reasonable endeavours to ensure that such advice or information is accurate at the time of providing such advice or information but you acknowledge that advice and information provided by us may be based upon information obtained from third parties and/or which is incomplete and unverified. We shall not be liable for any costs, claims, liabilities, expenses or losses which you may suffer as a result of relying on any such advice or information unless it is proved that we have been negligent or acted in bad faith.

5.7. Please note that we will not advise you about the merits of a particular transaction if we reasonably believe that, when you give the order for that transaction, you are not expecting such advice; the deal will then become an 'execution-only' transaction. This will always be the case with an execution-only service.

5.8. Any advice that we provide shall be in relation to an investment and shall not be construed to include legal, tax or other form advice for which we have not explicitly consented or are licensed to provide to you.

6. Special Note on the use of the Trading Platform

6.1. The technical requirements to which the Client's IT equipment, operating system, Internet connection etc. shall conform are described on the Company's website.

6.2. The Client shall enter his user ID and password when logging on to the Trading Platform. The Client should memorize the password. The Client is obligated to notify the Company without undue delay on becoming aware of unauthorized use of the Trading Platform, or if the Client suspects that the password has been misappropriated by a third party, the Client shall contact the Company immediately to block his/her Trading Platform. The Client can then request a new password. The Client is for a period of 18 months after notification entitled to request the Company to provide the Client with the means to prove that he/she made such notification.

6.3. The Client can block his Trading Platform at any time by contacting the Company. Blocking the Trading Platform prevents other persons from accessing it. Open orders and positions placed on the platform before the blocking will not be affected by the blocking unless the Client specifically requests so, and the Client is responsible for deciding about his positions.

6.4. From the Trading Platform the Client can print reports on trading activities and his account balances.

6.5. Where the Client has placed an order which he subsequently reconsiders, the Client may request that the order be cancelled up until the time of execution. The Client is aware that the Company is under no obligation to cancel

the order. A request for cancellation of an order can be made via the Trading Platform or by calling the Company's Trading Team. Requests concerning cancellation of orders generated when the margin is exceeded can only be made to the Company's Trading Team. An order shall not be considered to be cancelled until the Client has received a written confirmation from the Company.

6.6. The Client shall not be liable for unlawful use of the Trading Platform occurring after the Client has informed the Company.

6.7. The Company shall not be liable for losses in cases of abnormal and unforeseeable circumstances beyond the control of the Company pleading for the application of those circumstances, the consequences of which would have been unavoidable despite all efforts to the contrary.

6.8. If the Trading Platform is used for Commercial use the Company shall not be liable for any indirect losses and/or losses resulting from:

- i. Operational failures preventing the use of the Trading Platform;
- ii. Interruptions preventing the Client from accessing the Trading platform;
- iii. Use of the Internet as a means of communication and transport;
- iv. Damage caused by matters relating to the Client's own computer systems.

6.9. The Company shall not be responsible for losses resulting from the Client's installation and use of the computer programs used on the Trading Platform, unless such liability follows from indispensable rules of law. Where the Trading Platform is used for Commercial Use, the Client shall be responsible for ensuring that the Trading Platform is adequately insured against direct and indirect losses which may result from the installation and use of the computer programs in the Client's computer system. Furthermore, the Client shall be obliged to make backup copies of data which, should such data be lost, might result in losses for the Client.

7. Instructions

7.1 We shall be entitled to act upon any oral or written instructions reasonably believed to be from you or from any other person authorized to act on your behalf. Once given, instructions may only be withdrawn or amended with our consent.

7.2. Instructions may be acknowledged either expressly or by our acting upon them.

7.3. We may at our absolute discretion refuse to accept or act in accordance with any instructions, without being under any obligation to give any reasons thereof. If we decline an instruction, we will take reasonable steps to notify you promptly of this but subject to this, we will not be liable for any failure to accept or act on such instructions.

7.4. If you wish to authorize anyone else to give instructions on your behalf please notify us in writing on the Account Application Form and have that other person provides a specimen signature coupled with his national identity card, or a copy of his passport and a proof of address, dated less than three (3) months at the date of providing the proof of address to [].

Unless and until we are informed in writing that such authority has been withdrawn, any action taken by us in conforming to instructions given under such authority will be binding on you.

8. Dealing instructions

8.1. Unless we have agreed to provide you with an advisory service as indicated in the Account Application Form you will be dealing with us on an execution-only basis in reliance solely on your own judgment. In this regard you should bear in mind that if we merely explain the terms of an investment or its performance characteristics this does not of itself amount to advice on the merits of a transaction in the investment or on the legal or tax status or consequences.

8.2. You may give us oral or written instructions but it is anticipated that instructions to execute transactions will normally be communicated to us through our platform.

8.3. We shall be entitled to act upon your instructions or those of any other person we reasonably believe to be authorized to act on your behalf. We may at our discretion refuse to accept any new instruction given by you for any individual transaction. We may acknowledge your instructions by such means as we consider appropriate whether orally, in writing, by actual performance or otherwise.

8.4. You shall promptly (and within any time limit imposed by us) give any instructions we may reasonably request from you in respect of any transactions or other matters in relation to which we have accepted your instructions to act. If you do not do so, we may in our sole discretion take any steps at your cost as we consider appropriate for our or for your protection.

8.5. If we advise you that we consider an investment decision to be unsuitable but you still wish to execute a transaction based on that decision, we will only accept the instruction on an 'execution-only' basis without any liability on our part.

8.6. In the event that we have any reason to believe that any instruction you have provided to us is suspicious or may involve us being associated in the commission of a crime, regulatory offence or be liable to a fine or penalty, we will not be obliged to, and you irrevocably agree that we do not have such obligation, deal in such instruction at our sole and unfettered discretion.

8.7. If despite our vigilance any criminal, civil, administrative or regulatory action is envisaged by any person (including a regulatory authority or branch of government), you agree to defend us in respect of any claim or liability arising out of such instruction (whether the instruction was executed or not).

9. Dealing

9.1. We may execute your dealing instructions upon or in accordance with the rules of any market or exchange and through any clearinghouse selected by us. We may enter into transactions for or with you which are not on or in accordance with the rules of any exchange (for example, off-exchange transactions in foreign currencies), or in other non-readily realizable investments. The market in non-readily realizable investments is limited or could become so. They can be difficult to deal in and it can be difficult to assess what would be a proper market price or other current value for them.

9.2. Assets and profits arising on closing a position, settlement or liquidation will be credited to your Account and losses will be debited from your Account. Any debit balance arising as a result of any close-out, settlement or liquidation will be payable by you forthwith whether or not demanded buys.

9.3. We shall be entitled to carry out all transactions in accordance with the rules, regulations, customs or practices of the relevant market, exchange and/or clearing house and all applicable laws whether imposed on you or us. We may take all such steps as may be required or permitted by such laws, rules, regulations, customs and/or market practice. We will be entitled to take or not take any reasonable action we consider fit in order to ensure compliance with the same and all such actions so taken will be binding upon you.

9.4. You agree that any transactions we effect for you will be subject to the rule's regulations, customs and practices of each relevant market, exchange, or clearing house on, through or with which we deal.

9.5. In order to give effect to your dealing instructions, we may at our discretion instruct an intermediate broker selected by us. We undertake to use reasonable care and skill in the appointment of the intermediate broker. Subject to this, we accept no liability for any default of any intermediate broker or market, exchange or clearing house.

9.6. We may at our discretion aggregate your orders with our own orders or those of other clients of ours. We will allocate the proceeds of such orders among the participating accounts in a manner which we believe to be fair and equitable. If the combined order is not executed at the same price, we may average the prices paid or received and debit or credit your Account with the average net price. Details of average price will be furnished on request. Such allocation must take place within one business day of execution. In aggregating your orders in this way, we must reasonably believe this will be to your advantage, for instance to obtain better execution or reduced foreign exchange or other dealing costs by being part of a larger transaction. However, on occasion, aggregation and allocation may not work at your advantage.

9.7. Where we are unable or consider it undesirable or inappropriate to execute your order at once or in a single transaction, we may execute it over such period as we deem appropriate and we may report to you an average price for a series of transactions so executed instead of the actual price of each transaction.

9.8. Any credit balances in your Account not representing securities that are pledged, mortgaged, subject to a lien or other security interest or given to support a guarantee or similar arrangement, shall:

9.8.1. Be payable on demand by the Company;

9.8.2. Not be used or applied by the Company without your express written authority; and

9.8.3. Not form part of the assets of the Company for the purposes of the law relating to insolvency.

9.9. Should the credit balance of clients be placed in bank accounts that are interest bearing, the Company shall refund the interest back to the clients to the extent that the company does not derive any benefits thereof.

10. Reporting transactions

10.1. The Company will be issuing contract notes as well as sending trade confirmation to the clients (in case the client chooses the option of not receiving trade confirmation from the platform) by email or registered post as per section 56(2) of the Securities Act 2005.

10.2. The Company will be issuing a regular statement of account in such a format and at such intervals as may be specified in the FSC rules and in accordance to section 56 (2) of the Securities Act of 2005.

10.3. The Company shall not trade as principal in securities listed or traded on a securities exchange except in accordance with the applicable rules of the securities exchange.

10.4. The Company shall not trade in principal in securities as principal except it is in accordance with section 56 (3), 56 (4) of the Securities Act 2005.

10.5. The Company shall, before entering into the transaction, disclose to the Client that he/she is entering into the transaction as principal, in respect of securities that are not listed on a securities exchange.

10.6. After executing a trade which closes out an open position your confirmation will include a difference account, showing your profit or loss arising from the closing out which will be credited to or debited from your Account and due for immediate settlement.

10.7. If we have instructed an intermediate broker on your behalf, the confirmation may be a copy of the confirmation sent to us by the intermediate broker. Confirmations posted, electronically transmitted or otherwise sent to you at your last known address or email address in our records will be deemed to have been received by you when sent to the relevant address.

11. Margin

11.1. You will provide to us from time to time on demand such sums by way of margin as we may in our discretion require for the purpose of protecting ourselves against loss or risk of loss on present, future or contemplated transactions under this Agreement. Different margin requirements may apply to different accounts and/or investments traded. You may be required by us to supplement such margin at any time when your Account shows a debit balance or an increase in your margin requirement. You will pay or transfer margin within the minimum period specified by us (which may be within the same day).

11.2. Margin in relation to a particular type of transaction will be provided in cash or in the form of such investments or other assets (if any) as we, in our absolute discretion, agree. Where we agree to accept margin in the form of securities this is subject to the security and custody arrangements.

11.3. Unless the terms applying to a particular type of transaction otherwise specify, margin will be valued by us on such basis as we shall in our absolute discretion determine and may reflect, without limitation, our view as to the extent that the relevant assets are fully available to us or such discount to the current market value of any margin as reflects our perception of the market risk of that margin.

11.4. While failure to pay margin when required will entitle us to close out some or all of your positions and/or call an Event of Default we are under no obligation to close out any transactions or take any other action in respect of positions opened or acquired on your instruction and in particular, no failure by you to pay margin when demanded will require us to close out any such transaction.

11.5. All cash margin and other payments due by you to us pursuant to this Agreement shall be made in freely transferable funds in such currency and to such bank account(s) as we may from time to time specify. If you are by law required to make any deduction or withholding in respect of taxes or otherwise, then you will be liable to pay such amount to us as will result in our receiving a net amount equal to the full amount which would have been received had no such deduction or withholding been required.

11.6. Any sums due to us from you pursuant to this Agreement (plus any applicable VAT) may be deducted on prior notice to you from any Assets and we may have recourse against and sell realize or dispose of the Assets (including any margin, Charged Assets and safe custody Assets) in order to realize proceeds which may be applied in the discharge of such sums.

12. Settlement

12.1. In relation to your open positions, you will promptly take all actions on or prior to maturity, which are necessary either:

12.1.1. To close out or otherwise liquidate such contracts by giving proper instructions in good time to enable us to carry out those instructions in accordance with their terms and the requirements of the relevant contract and of any relevant market, exchange, clearing house or intermediate broker; or

12.1.2. To enable us to effect due exercise, settlement and/or delivery of such contracts as they fall due in accordance with the requirements of the contract and of any relevant market exchange clearing house or intermediate broker including but not limited to making any appropriate payment or delivering any underlying asset to us in good time for us to complete due settlement and delivery.

12.2. You will take all and any other action necessary to enable us to effect performance of transactions as they fall due in accordance with the requirements of the relevant market, exchange, clearing house or intermediate broker.

12.3. If you do not give us notice of your intention to exercise an option together with any monies or property or documents required therewith by the time stipulated by us, we may treat the option as abandoned by you and notify you accordingly. We will give you reasonable advance notice of the time for exercise of such option and/or any arrangements for automatic exercise.

12.4. If any payment instruction documents or delivery is not received or is incomplete or incorrect when received we may without notice close out or liquidate the transaction or buy in on the market or make or receive payment or delivery in order to meet our or your performance obligations or take such other action as we in our absolute discretion may consider appropriate.

12.5. Profits arising from the granting, closing out, liquidation, settlement or exercise of contracts or from similar transactions will be credited to your Account. Any debit balance on your Account or arising as a result of the liquidation of your investment will be payable by you forthwith whether or not demanded by us.

12.6. Any crediting to your Account of cash investments or other Assets is subject to reversal if, in accordance with local laws and practice, the delivery of investments or cash giving rise to the credit is reversed. We shall be entitled at our discretion to reverse incorrect credit entries to any accounts (including where an entry was made in anticipation of receipt of funds/assets which receipt was however not fulfilled).

13. Default and realisation of client's assets

13.1. The occurrence of any of the following events shall constitute an event of default ('Event of Default'):

13.1.1. You fail to comply fully and immediately with any Obligation to make any payment when due to or required by us (including any Obligation to pay margin); or

13.1.2. You make default in any other Obligation owed to us (including any transaction governed by this Agreement); or

13.1.3. Any representation or warranty made by you was or has become or subsequently would if repeated at any time be incorrect; or

13.1.4 We, acting in our absolute discretion, determine that there is or has been an adverse change in the creditworthiness of any party providing a guarantee and/or indemnity in respect of your obligations under this Agreement; or

13.1.5. You commence a voluntary case or other procedure seeking or proposing liquidation, reorganization, an arrangement or composition, a freeze or moratorium, or other similar relief with respect to yourself or to your debts under any bankruptcy, insolvency, regulatory, supervisory or similar law; or seeking the appointment of a trustee in bankruptcy, receiver, liquidator, administrator or other similar official (each an 'Insolvency Official') of yourself or any part of your undertaking or assets; or take any corporate action to authorize any of the foregoing; and ,in the case of a reorganization, arrangement or composition, we do not consent to the proposals; or

13.1.6. An insolvency case or other procedure is commenced against you seeking or proposing reorganization or an administration order, liquidation, an arrangement or composition, a freeze or moratorium, or other similar relief with respect to you or your debts under any bankruptcy, insolvency, regulatory, supervisory or similar law (including any corporate or other law with potential application to yourself if insolvent) or seeking the appointment of an Insolvency Official of yourself or any part of your undertaking or assets; or

13.1.7. You die, become incapacitated or of unsound mind, are unable to pay your debts as they fall due (or where you are the trustee of a trust you are unable to pay your debts incurred in that capacity out of the assets of the trust), or you are bankrupt or insolvent as defined under any bankruptcy or insolvency law applicable to you; or any of your indebtedness is not paid on the due date therefore or becomes capable at any time of being declared due and payable under agreements or instruments evidencing such indebtedness before it would otherwise have been due and payable, or proceedings are commenced for any execution, any attachment or garnishee Order, or any distress against, or any encumbrances takes possession of, the whole or any part of your property, undertaking or assets; or

13.1.8. At any time, due to market fluctuations or for any other reason we shall in good faith, but otherwise in our absolute discretion, consider it necessary for our own protection.

13.2. Upon or at any time following an Event of Default we may on notice to you and without prejudice to any other rights hereunder or under any transaction, contract or law, take any and all actions that we consider to be necessary or desirable in the circumstances, including, but not limited to the following:

13.2.1. Treat any or all transactions then outstanding under this Agreement or any other agreement between us as having been repudiated by you and such repudiation as having been accepted by us, whereupon our obligations under such transactions will thereupon be cancelled and terminated; and/or

13.2.2. Liquidate, sell, close out, replace, reverse, hedge or off- set all or any transactions, buy, borrow or lend, or enter into any other transaction or take, or refrain from taking, such other action at such time or times and in such manner as, at our sole discretion, we consider necessary or appropriate to cover, reduce or eliminate our loss under or in respect of any of your transactions or other commitments or Obligations. 13.2.3. Sell, charge, deposit, deal with or otherwise dispose of any cash, securities, margin, Charged Assets or Assets upon such terms as we may in our absolute discretion think fit without being responsible for any loss or diminution in price in order to realize funds sufficient to cover your Obligations and apply such proceeds in or towards satisfaction of your Obligations in such order and generally in such manner as we may, in our sole and absolute discretion, determine.

13.3. You will at all times remain liable for the payment of any and all outstanding Obligations and if the proceeds realized pursuant to clause 11.2 are insufficient for the discharge of all such Obligations, you will promptly pay on demand the deficit and all unpaid liabilities together with interest.
